Exploring Humanitarian Law: An Innovative, International Program that builds critical-thinking skills and character through understanding human dignity: Instilling respect, fairness, caring, and the responsibilities of Global Citizenship.

Today's youth have a stake in embracing the principles of humanity and learning about ethical issues that affect their lives and the way they assess events at home and abroad. These topics are relevant and meaningful for young people everywhere, and teachers play a critical role in helping students explore them.

REGISTER TODAY: Learn about how you can seamlessly integrate EHL resources into current lesson plans while earning CEUs.
